CLS

Cloud Strip Series

APPLICATIONS:

The Cloud Strip Series (CLS) is a soft profile luminaire that provides an efficient light source for both residential and commercial environments. The shallow contemporary opal acrylic diffuser softly and evenly distributes light at comfortable levels.

CONSTRUCTION:

Formed from 23 gauge steel, allowing for exceptional strength and durability. The body is constructed with numerous KOs for ease of installation. End plate quickly snaps into channels, for easy assembly.

FINISH:

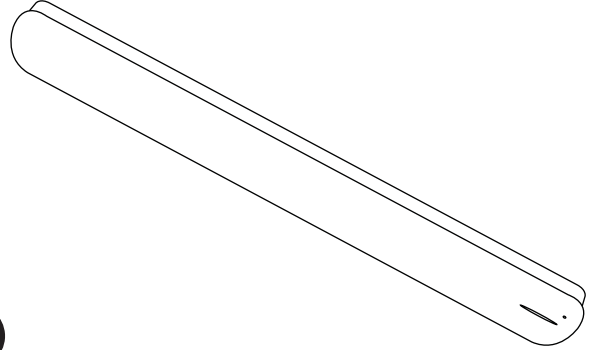

Powder coated baked enamel finish provides safe handling and corrosion protection.

ELECTRICAL:

CONSULT FACTORY FOR BALLAST INFORMATION

WARRANTY:

Guaranteed one year from the purchase date of the product, against mechanical defects in manufacturing.
