660 NW Peacock Blvd. Port St. Lucie, FL 34986  
tel: (772) 878-4944 or on the web at [www.tamliteusa.com](http://www.tamliteusa.com)

## SPECIFICATION & FEATURES

### DESCRIPTION:

The EXW Series Wet Location LED Exit Signs offer long lamp life, energy efficiency and uniform illumination. The watertight, corrosion-resistant thermoplastic housing is sealed and gasketed to protect the internal electronics from water, dust and corrosive liquids. The EXW Series is designed with punch-out chevron directional indicators for optimum installation flexibility and is ideal for commercial, institutional, and industrial applications. The body has an industrial gray finish.

### CONSTRUCTION:

ABS, corrosion resistant UV stabilized enclosure. AC only or Emergency powered models Removable directional indicators Extremely low operating costs LED lamp life of 25 years. Meets NFPA Life Safety 101, NEC, OSHA, NEC, Local and State Codes Wet Location.

### ILLUMINATION:

Long life, energy saving LED lamps. LEDs are connected in a series/parallel configuration such that the unlikely failure of one LED will affect no more than one other LED red or green LED/letters, red and green signs consume less than 3 watts.

### ELECTRICAL:

Dual 120V/277V voltage rated for use in wet locations. Has AC power indicator and push-to-test switch. LVD (low voltage disconnect) prevents battery from deep discharge. Fully automatic solid-state, two-rate charger initiates battery charging to recharge a discharged battery in 24 hours. Internal solid-state transfer switch automatically connects the internal battery to LED board for minimum 90-minute emergency illumination. Long-life, maintenance-free, rechargeable NiCd battery (EM model).

### OPTIONS:

HTR: Internal Heater enables the unit to be used in cold environments.

### CODE COMPLIANCE:

UL listed for wet locations & meets UL924, NFPA 101 Life Safety Code compliant, NEC and OSHA compliant.

### MOUNTING:

Surface (wall) mount only, includes mounting screws and hardware.

### WARRANTY:

Guaranteed for five year against mechanical defects in manufacturing. Batteries are pro-rated warranted for 5 years.
