TERBFVQ57L3 TERBFVQ79L3 Quiet Series Bathfans

The TERBFVQL3 Series comes in two sizes; 50-70 cfm and 70-90 cfm. Both include a 4" duct and are (c)UL listed for damp location. Also included in the new "quiet" series from Tamco, is the fluorescent light feature. Not only do you get a brighter light but you also will save energy. The nightlight feature is also new to the Tamco brand bath fan. They have built-in galvanized steel mounting brackets for an extra secure fit.

features:

- 50-70 cfm / 0.5-1.0 sones or 70-90 cfm / 0.9-1.5 sones
- Two operating speeds
- 26-watt energy-saving lamp (included)
- 4-watt night-light (included)
- Adjustable mounting brackets included for easy installation
- Built-in damper to prevent air-backdraft
- 4-button switch (included)
- Operating Voltage 120V, 60 Hz
- 4" Duct adapter
- UL, CUL Certified
- HVI Certified
